...YOU THINK YOU HAD A BAD DAY!

Litil Divil™

Join MUTT and his incredible adventures in a fabulous **CARTOON ANIMATED ADVENTURE** literally stuffed full of action, humour and puzzling conundrums.

The sands of time in the underworld trickle slowly and the Grand Council meeting approaches. He who draws the shortest straw must venture forth into the Labyrinth of Chaos to bring back the **MYSTIC PIZZA OF PLENTY**. Each year from the beginnings of recorded time one has thus ventured forth. None have ever returned.

MUTT draws the shortest straw and to cries of "extra pepperoni" and "hold the anchovies" our hero is thrust towards the foreboding entrance of the labyrinth.
